

## NEW WORLD, NEW WAYS

The turn of the 20th century is closing in. As the Western era has come to an end, a more civilized time is on the horizon. Kane who failed to secure his fortune in the Wild West is now determined to build his wealth in the new world, lawful or not...

Black River Gold is the fourth slot in the ELK Gold Series. It comes with two unique features, the Wild Compass and the Revolver! Avalanches allow the rows to expand all the way up to 8 rows and 262 144 ways to win.

## REVOLVER

All big symbols with empty places underneath turn into a Revolver and load all symbols below until they reach even ground. They then represent the big size of all loaded symbols.

*A fully loaded Revolver becomes wild!*

*Bonus game can re-trigger!*

## BONUS GAME

3 or more bonus symbols trigger the free drops bonus game. Wilds are sticky in the bonus game until used. A win in the bonus game raises the safety level for the remainder of the bonus!

262144 WAYS

117649 WAYS

46656 WAYS

15625 WAYS

*More ways!  
More wins!*

## WILD COMPASS

The Wild Compass matches symbols across itself and turn matches into wilds. When the Wild Compass reaches the bottom it becomes a wild.

## BIG SYMBOLS

All low, mid and high value symbols plus wilds come in big sizes, ranging from big 2x2 and all the way up to the epic 4x4.

### Recommended size and ratio for desktop browsers

For the optimal gaming experience,  
ELK Studios recommend launching  
the game in 1600x900 resolution.  
If scaling is required, use 16:9 ratio.

### Technology

Our games uses state of the art  
web technologies including support  
for canvas and WebGL. The client  
detects the capabilities of the  
device regardless if the player  
is running on a desktop, tablet  
or mobile.

The game client will then optimize  
the gaming experience based on  
those parameters.

## ELK Studios

### We build great casino games

Since founded in 2013, ELK Studios has  
passionately push boundaries in the online  
casino industry. From groundbreaking  
mathematics to astonishing artwork, we take  
pride in developing entertaining mobile first  
content that maximizes the experience for  
players around the world.

Our games are developed and compiled by  
our inhouse studio in Sweden, and we use  
well known test centers such as Trisigma and  
Gaming Laboratories International to certify  
them. Once released, all games are operated  
by partners and operators who hold the license  
in each market.
